Study Abroad Program (Inbound)

CRICOS Code: 112704U

Students will gain an immersive Australian study experience to develop their intercultural competencies and assist in their professional careers.

Study Abroad Program Inbound

With an increasingly globalised and multicultural society, universities and institutions around the world are looking for opportunities to provide an international study experience as part of their student course offerings. The Study Abroad Program (Inbound) is a short-term non-award course that allows overseas students to undertake any undergraduate or postgraduate subjects at AIHE (providing prerequisites are met) and receive credit towards their home degree. It is aimed at providing an international study experience in Australia for students currently enrolled in degree courses overseas, or those overseas students otherwise qualified to enrol at these levels.

Learning Methodology

- Seminars, lectures, group activities, case studies and practical support sessions.
- Includes, but is not limited to, group and individual assignments, exams and tests, role plays and participation, quizzes and presentations.
- Credit Transfer and Recognition of Prior Learning (RPL) available on application.

The Study Abroad Program (Inbound) is offered to international students for enrolment in 3 or 4 subjects (15 or 20 credit points) over one study period or 6 to 8 subjects (30 to 40 credit points) over two study periods. Students are solely responsible for ensuring that the subjects studied meet their home institution's requirements if they are seeking credit and recognition in their home degree. Some students will not be enrolled in their home country but may wish to study this course for their personal growth and development. AIHE can accept these students and will determine their eligibility for subjects based on a previous study for award credit and meeting any required subject prerequisites.

In addition to the course admission requirements, prior to enrolment.

Subjects

AIHE provides a range of undergraduate and postgraduate level subjects to students each year. Prospective applicants should view the subject offerings for all courses by visiting <https://aihe.sa.edu.au/courses> for current availability. AIHE can provide additional information about its subjects, including course descriptors and outlines, to applicants upon request. Requests should be emailed to info@aihe.edu.au

Credit Transfer, RPL, and Pathways

Credit transfer and recognition of prior learning (RPL)

AIHE will recognise prior learning and grant credit for learning that is relevant, current and equivalent to the learning required for AIHE courses. More information can be found at the AIHE website.

Articulation Pathways

Students who have completed previous studies with an Australian Registered Training Organisation (RTO), University, or Higher Education institution in a related area may be eligible for credit exemptions and advanced standing in their AIHE degree course. Each applicant is assessed individually, and the tables below are a guideline only.

Bachelor of Business

Course of study to which articulation and/or credit arrangements apply:

Diploma of Business	8 units*
Advanced Diploma of Business	12 units*

*Total of 24 subjects required to complete the course

Master of Business Administration

Course of study to which articulation and/or credit arrangements apply:

Graduate Certificate	4 units*
Graduate Diploma in Management	8 units*

*Total of 16 subjects required to complete the course. Details of subjects for which credit will be granted will be determined on a case by case basis depending on the units of competency completed.

Exit Pathways

Bachelor of Business

The AIHE Bachelor of Business is an AQF Level 7 award. Graduates may progress to AQF Level 8 or 9 programs like an MBA or specialized Master's, depending on entry requirements.

Master of Business Administration

This AQF Level 9 award has no formal exit pathways. Graduates may be eligible for AQF Level 10 programs such as a Doctorate by Coursework.

Scholarships

Why Adelaide?

01

Thrive in a city where excellence is all around you

It's inspiring to study in a place with such a strong tradition of excellence. A place that's produced many Nobel Prize winners and world-renowned researchers. In Adelaide, no matter where you choose to study, you're closer to the highly qualified teachers and lecturers who can help you achieve your goals.

02

Pathways that bring you closer to success

In Adelaide, you can make real progress towards your dream job as you study. Adelaide's education providers work closely together to create pathways to employment for students. Adelaide's universities, colleges and VET providers work with key employers - including major global companies - to connect students with high quality jobs.

03

Part-time jobs all in one place

We make it easier for students to get a part-time or casual job while they're studying. StudyAdelaide has created Job Shop - a website dedicated to connecting international students with hundreds of job opportunities with businesses who are actively looking to employ them.

04

Enjoying life is easier and more affordable

Spend less on living expenses and more on enjoying life in Adelaide, one of the most affordable cities in Australia. The costs of accommodation, getting around, and eating out are lower in Adelaide, so your budget will stretch further allowing you to enjoy a better quality of life.

05

Be part of a welcoming community

Visitors say Adelaide people warmly welcome people from all nations, cultures, and beliefs. We're a close-knit, multi-cultural community, proud of our city and eager to share its wonders. You'll find it's quick to make friends with the locals, as well as other international students who come from more than 130 countries.

06

It's delicious

Adelaide's vibrant city centre and cafe, restaurant and food scene is as exciting as some of the coolest cities in the world. The city centre features an amazing selection of restaurants and cafes with every kind of cuisine - from casual, affordable places perfect for students, to highly awarded, top end restaurants.
