

AIHE Overseas Student VPN Manual

Please choose your laptop system:

↓ Windows 10 **↓** Mac OS

Manual created by AIHE IT Department

Version: v21072021

4 Windows 10

- 1. Click here to download the VPN installation packages.
- 2. Find the downloaded package, double click 'AEGopenvpnconnect-3.1.3.713_signed.msi' to install Open VPN application.

Note: If your laptop gives you a pop-up window shows "Windows protected your PC" to stop installing, please click More info, then your will see Run anyway.

3. Follow the installation steps, remember to tick 'I accept the terms in the License Agreement'.

PopenVPN Connect Setup -		×					
End-User License Agreement	5

6. As shown in Picture (b), Open VPN requires your AIHE student email account to login.

For example, your student email address is: <u>test@student.aihe.sa.edu.au</u>; password is Axxxx00000. Then just input <u>test@student.aihe.sa.edu.au</u> under username, input Axxxx00000 under password.

7. When you see **Connected**, shows in Picture (c), you can now use your VPN to view materials aboard.

(If you need any further help, please send an email to servicedesk@aihe.sa.edu.au)

4 Mac OS

- 1. Click here to download the VPN installation packages.
- 2. Find the downloaded package, double click 'AEGopenvpnconnect-3.1.1.1089_signed.dmg' to install Open VPN application.
- 3. Follow the installation steps, remember to click agree when you get a pop-up window, and input your laptop lock screen password.
