Commentary on tuition fees

- All fees listed are quoted in Australian dollars (AUD\$)
- Tuition fees are payable upfront at the time of enrolment. All tuition fees are to be paid for each subject in which the student is enrolled prior to the commencement of the study period. International students must pay tuition fees two weeks before the start of the study period.
- Tuition fees are not refundable for students withdrawing after the census date of the relevant study period. If unforeseen circumstances occur, please contact the Student Support Officer to discuss your enrolment and/or refund options.
