

UNIQUE STUDENT IDENTIFIER (USI)

From 1 January 2023, all higher education students, including students who commenced their studies prior to 2021 and international students studying in Australia, must have a Unique Student Identifier (USI) to graduate and receive their award.

A USI is a reference number that is different for every student. The number will allow you to access your records of training for all the courses you undertake, online at any time. It is a lifelong education number - you only need to create it once.

You can create your own USI by going to www.usi.gov.au and creating your own account, and when you receive your USI you must advise AIHE of your USI. We will also need your permission to view your USI in order to verify your qualifications or transcripts.

Section 1. Please complete Section 1 if you **already have** a USI.

I have a USI

USI Number _____

Section 2. Please complete Section 2 if you **do not** have a USI and need to apply for one.

I will apply for a USI

Section 3. All students must complete Section 3 below for USI verification purposes.

Student Details			
Given Name		Family Name	
Gender		DOB	
Country of Birth		Town / City of Birth	
Passport Number		Phone	
Personal email			
Address			
Suburb		Postcode	
AIHE Student ID		USI	

I (insert name) _____

allow AIHE to view my USI information to verify qualifications and/or transcripts.

Please return this form to AIHE Student Services Team or by email at:
student.assist@aihe.sa.edu.au

Office Use Only (this section is to be completed by AIHE staff)
